

A whimsical illustration of a tooth fairy with pink hair, wearing a brown leather jacket with white fur trim, a red helmet with goggles, and red boots. She has large white wings and is holding a large green toothbrush with white bristles. She is floating in a dark blue night sky filled with yellow stars and light blue nebulae. A purple pillow is also floating nearby.

All is quiet, all is still.

The clock shows 3:09.

The bell goes off! I'll go to work,
'cause now's my time to **shine!**

I'm the **Tooth Fairy**, yes I am!
And every single night,
I collect three hundred thousand teeth
while staying out of sight!

My travels take me far and wide.
My life is such a **BLAST**!
But please don't try to catch me,
for I'm really much too fast!

At Nancy Caton's, I recall
an important fairy rule.

When you are taking someone's tooth,
watch out for all their **drool!**

Johnny Withers sets a trap.
He wants me in a **BOX**.
I'll take his tooth, and then for fun,
I'll hide all of his socks!

Cotton candy? Love the stuff!

But I won't try to eat it.

Every trap that's set for me
is sure to be defeated!

Julie has a good idea:
a trap made out of *floss*!
I'll get her tooth, then leave a coin
to pay her for her loss.

As I fly to Taylor's bed,
I notice something **scary**.
But once I've tied it all in knots,
I'm feeling rather merry!

This trap is good. I'm quite impressed!

It nearly did me in.

But I've got **golden** fairy dust.

I'll never let you win!

TOOTH
FAIRY

ACHOOO!

REVUE

The ooey-gooey catapult
fires **Marshy Mallow Yum!**[™]
It doesn't catch me, but it does
just slightly stick my bum.

Fairy
Buster
9000

Yellow
Gum!

The lights are off in Sarah's room,
and traps are everywhere!
I'll need to do my *fairy* best
to fly safe out of there!

Now Sanjeev is creative.

He's made a **SPECIAL CAGE.**

Am I no more? Is this the end?

You'd better turn the page...

And then, at last, I'm home again.
The teeth are safe and sound.
The kid who'll **catch** me in a trap
is still yet to be found.

Can *you* catch the Tooth Fairy?

How to catch the **Tooth Fairy?**
It's not an easy task.
You can try to catch her,
but she is just too **FAST!**
